The proposal of the Supdt. of Govt. Gardens for sanction to an Estt. Costing Rs. 216 p.a. for looking after the gardens attached to the Insurance office is for orders. As the budget has now been passed, it is for consideration if the Supdt. may be asked to look after the gardens also without any extra staff. The amount required is however small and the Insurance office ought not to find it difficult to meet these small charges.

Now It is true that the Insurance Building is situated in Cubbon Park, but the grounds around it have been specially laid out and maintained as a Garden by the Garden Dept. The contribution asked for is small and the Insurance Committee can very well afford to pay it. The resources of the Garden Dept are very slender. In this view, the request of the Garden dept is quite reasonable and may be complied with.

SIR,

I have the honour to state that the Superintendent of Government Gardens requests to place at his disposal a sum of Rs. 270/- every year commencing from the year 1937-38 for the future maintenance of the Garden near this Office owing to the curtailment of grant in his Departmental budget (copy of his D.O. No. 1934 dated 1-3-1937 enclosed for reference). Hitherto, i.e., from the date of the completion and occupation of this Building, this Office has not been contributing any amount on this account and it is also ascertained from the Comptroller that the other Offices of Government too do not make any contribution for the purpose. Besides, the Garden round about this Office Building forms part of the Cubbon Park. In view of these circumstances, I request that sanction of Government may kindly be obtained to exempt this Office from the payment of such charges in the same way as it is exempted from payment of stamp duty.

I have the honour to be,
Sir,
Your most obedient servant,
